Omega Style Hog Ring Pilers

The Omega style Hog Ring Pliers have a robust, lightweight design and are supplied with an easy to fit magazine cartridge, that holds upto 50 hog rings. The magazine can be removed, for easy storage, via the easy fit screw.

Ergonomic handles with a stainless steel coiled spring. For user safety and easy storage the handles feature a closing ring. These multi purpose have two wire cutters, located either side of the head, suitable for cutting mild wire up to 3.15mm

Compatible with both:
A1146 - 20mm M ring clip,
A1222 / A1224 - RP22 22mm clip

Netting pilers, with **two** built in wire cutters
